MEMORANDUM FOR: Eloise Page

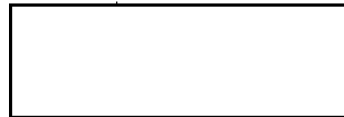

SUBJECT: Comment on Enclosure to USIB-D-64.6/23

1. No comment except as follows:

a. para. 3 (p.2,1.6): in place of "--primarily in the political field, secondarily in the military..." suggest "--primarily in the political field but in other fields as well..."

b. Annex A, p. 2 recommendation e: Change to read: Agencies should increase their present research capabilities to exploit all available material for intelligence production as well as for detailed and realistic intelligence operational planning."

2. I realize that the above changes raise a problem for Annex B, but it is a minor one.
